

spares and substitutes

Work Location: Halifax

Dates: February Break, March Break, Summer

- Are you at least 16 years old?
- Have you worked with kids or youth: coaching, tutoring, camp counselor, afterschool programs?
- Are you creative? Tech savvy? Fun loving and enthusiastic?
- Do you enjoy working with people, particularly young people?
- Are you comfortable with new technologies?

Can you demonstrate a strong interest or ability in two or more of the following:

- Stop motion animation / Claymation
- Flash animation
- Video game design (Gamemaker, RPG Maker XP)

If you answered yes to some or most of these questions then you are the type of person we may be looking for!

Availability:

As a spare or substitute you must be willing to work on short notice. When applying please indicate your availability and the competencies you have, e.g. animation skills, game design.

Responsibilities of Spares and Substitutes include:

- Attend to set up of classes and activities
- Greet campers at the start of each day
- Interact with campers, staff and parents in a friendly and respectful manner
- Encourage inclusiveness, support a friendly and fun atmosphere
- Follow directives of Program Leaders
- Assist campers as needed to follow computer and other instructions
- Assist campers as needed to Save files in proper locations
- Lead games and activity sessions

To apply:

- Submit a detailed cover letter and resume to jobs@artechcamps.com
- Identify your area(s) of interest and ability.
- Include at least three references. Acceptable file formats include MS Word or PDF.

If accepted for this position volunteers will be required to submit a satisfactory criminal record check.
