Minecraft accounts can be purchased at Minecraft.net for \$35.

Campers should have the following information with them when they come to camp:

- Password – *passwords are case sensitive.*

If there are security questions associated with their account they should know the answers to these, as answers to these are sometimes required when logging into an account from a new computer.

**Not needed for Game design camps like Mario Minecraft Remix or Mining into Minecraft.*

Artech Camp Rocks!

*Older campers 11 and up may sign themselves in and out. Parents can inform us if this would be preferable.
